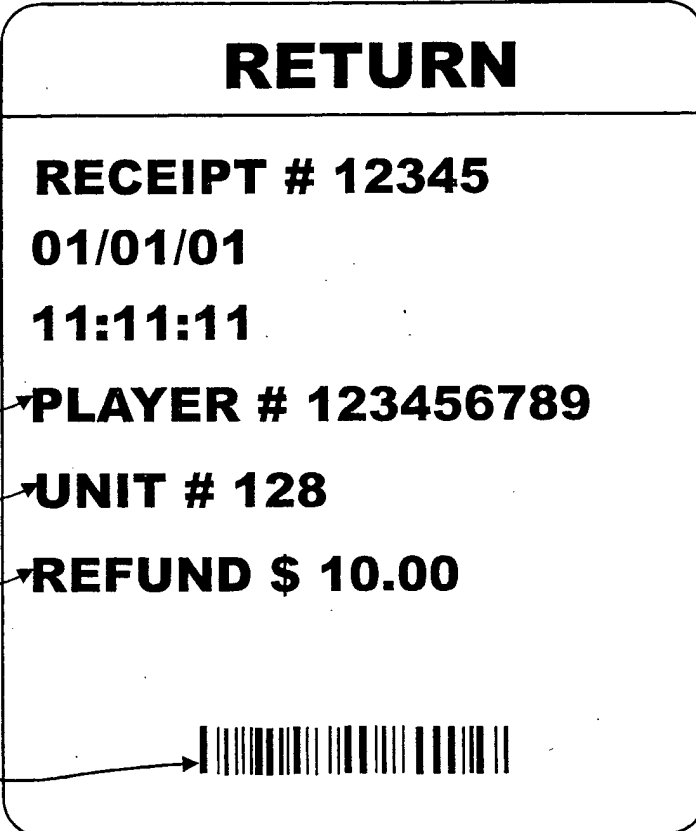

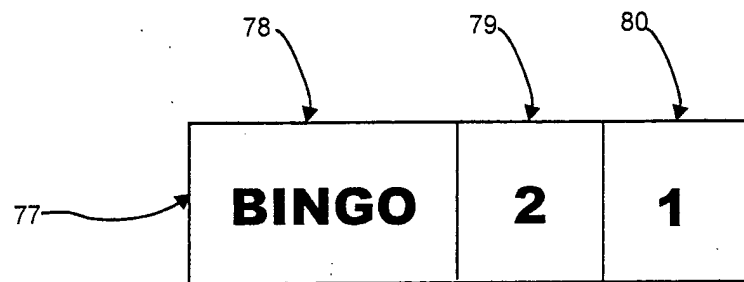

Fig. 10

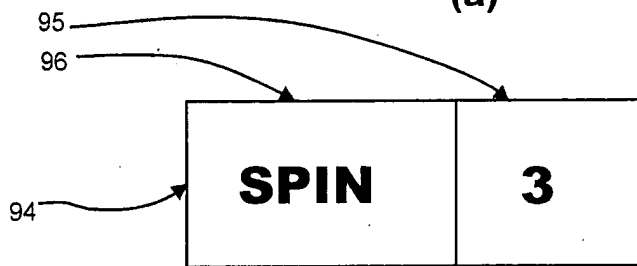

The diagram shows a shopping cart interface with a table containing three rows. A large bracket on the left groups the first two rows, and another bracket on the right groups the last two rows. Arrows point from callout numbers to specific elements: 71 points to the table header, 72 to the first row's item description, 73 to the second row's item description, 74 to the plus sign in the third row's ADD column, 75 to the minus sign in the third row's DEL column, and 76 to the BUY button in the third row.

| PACK | QTY | ADD | DEL | TTL |
|-----------------------|----------|----------|----------|----------------|
| \$5.00 REGULAR | 2 | + | - | \$10.00 |
| \$9.00 SPECIAL | 1 | + | - | \$9.00 |
| BUY | | | | \$19.00 |
